## What would happen if your income stopped coming in?

IncomeShield provides a regular monthly payment in the event you are unable to work due to accident, sickness or redundancy offering you the reassurance that you'll still have the money to pay for whatever is most important in your life for up to 12 or 24 months depending on your choice of cover.

Insurance for IncomeShield is underwritten by Pinnacle Insurance plc. Please ask your financial intermediary for full terms and conditions.

**That's Paymentshield. That's reassurance.**
